

PARAEDUCATORS NEEDED

Paraeducators work under the supervision of teachers or other licensed personnel who have the ultimate responsibility for the design and implementation of education and related service programs.

Paraeducators provide assistance to a variety of students including those with and without disabilities, health needs, limited English and others. They work in a range of educational settings including general education classrooms, special education settings, and supervise lunchrooms and playgrounds.

To apply, please visit: <https://yakimajobs.hrplus.net>
